Andy Polanski Charitable Foundation -
Footprints To Your Future – The Andy Polanski Legacy Scholarship

The Andy Polanski Charitable Foundation (APCF) is a non-profit society that was established in 2014 following the tragic passing of an exceptional young man, Andy Polanski. Comprised exclusively of volunteers, APCF remains committed to fulfilling the foundation's vision '***To make things better, not for ourselves but for everyone around us'***. This vision is solely inspired by the sincere and generous personality of Andy, encompassing his many wonderful attributes and traits that left a mark on those who knew him and continues to inspire many. Andy was a young man with strong family roots, always ready to share in some fun and laughter, and dedicated to working hard towards any goal he set for himself. This resulted in Andy persevering when it came to his high school studies to strive for and reach his individual potential as a student allowing him to pursue a post-secondary education goal of becoming an electrician.

The Andy Polanski Charitable Foundation (APCF) in partnership with ACI Architecture Inc. is very proud to offer a $1,000 scholarship to a Fort Saskatchewan high school student who has completed their high school requirements and is pursuing a post-secondary education.

Etched in Andy's Playground are the traits of Love, Kindness, Courage, Laughter, Selflessness and Volunteering that best reflect Andy's life. **What are the words that best describe you?
