

## Andy Polanski Charitable Foundation - Andy Polanski “Leader of Tomorrow” Memorial Scholarship

The Andy Polanski Charitable Foundation (APCF) is a non-profit society that was established in 2014 following the tragic passing of an exceptional young man, Andy Polanski. Comprised exclusively of volunteers, APCF remains committed to fulfilling the foundation’s vision *‘To make things better, not for ourselves but for everyone around us’*. This vision is solely inspired by the sincere and generous personality of Andy, encompassing his many wonderful attributes and traits that left a mark on those who knew him and continues to inspire many. Andy was a young man with strong family roots, always ready to share in some fun and laughter, and a willingness to lend a helping hand. This resulted in Andy volunteering for many positions within his school and community while he completed his high school and post-secondary education goals.

The Andy Polanski Charitable Foundation (APCF) is very proud to offer a \$1,000 scholarship to a Fort Saskatchewan high school student pursuing a post-secondary education who, in addition to completing their high school requirements, has been able to demonstrate the importance of giving back, therefore impacting others.
